Fairlawn Barn and Outbuildings
Bainbridge Naval Training Center
Port Deposit vicinity
Public (Restricted)
c. 1875

The Fairlawn outbuildings consist of a frame barn, a carriage house, and three small equipment sheds. The five outbuildings are the remnants of the farm complex of Fairlawn, the residence of James Harvey Rowland, a lumber magnate of Port Deposit in the 1860's and 1870's. The house no longer exists but was pictured in the 1877 Lake, Griffing, and Stevenson Atlas of Cecil County.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Fairlawn outbuildings consist of a frame barn, a carriage house, and three small equipment sheds and are located on Fairlawn Road just southeast of MD Route 176 on the grounds of the former Bainbridge Naval Training Center near Port Deposit, Maryland.

The barn has a stone foundation and board and batten siding. It has several shed additions. The carriage house and shed #42 are also board and batten with white trim and composition roofs. The shed retains two small cupolas which originally crowned all three buildings. Buildings 44 and 61 have weathered tongue-and-groove vertical siding. Building 44 has a polygonal bay on its southeast gable end.

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

The five outbuildings are the remnants of the farm complex of Fairlawn, the residence of James Harvey Rowland, a lumber magnate of Port Deposit in the 1860's and 1870's. The house was a large frame building with decorative brackets. It stood about 160 feet west of the barn. The farm was pictured in the 1877 Lake, Griffing and Stevenson Atlas of Cecil County.

A formal boxwood garden was located southeast of the house but is now completely overgrown.

See Archeology Report on Site 18 CE 157 for further information on the house site.
